

# 2024 Legislative Priorities

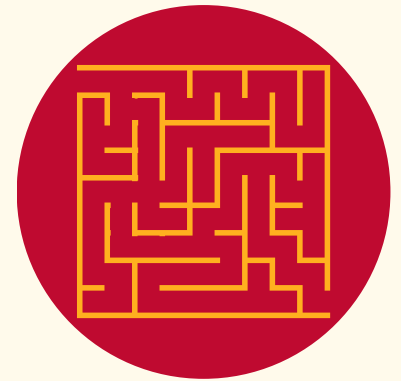

## Expanding Access to Justice

Support Coloradans in having the tools to assert their rights.

## Preserving Affordable Communities

Support housing initiatives that are centered in community priorities & further a path toward continued affordability.

## Removing Administrative Burden

Reduce unnecessary hurdles so Coloradans can get their needs met.

## Reducing Health Care Costs

Keep the health care industry accountable, ensuring care & coverage for the public good.

## Progressive Tax & Wage Policies

Support tax and wage policies to boost the incomes of working families.

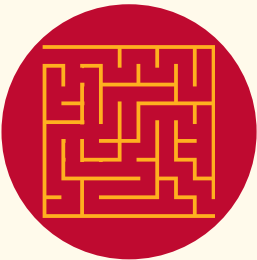

**Our 2024 legislative platform identifies five policy areas where the opportunity exists to make real change, in partnership with other advocacy groups, community members, legislators, and state leaders.**

---

**Expanding  
Access to  
Justice**

CCLP advocates to ensure Coloradans have the tools to assert their rights, whether that means access to courts or greater accountability by private and public entities.

**Removing  
Administrative  
Burden**

CCLP aims to reduce unnecessary hurdles that are so often a barrier for people who face poverty so that Coloradans can meet their basic needs and become self-sufficient.

**Preserving  
Affordable  
Communities**

CCLP supports housing initiatives centering community priorities and furthering a path toward affordability for all renters in Colorado, including mobile home park residents.

**Progressive  
Tax & Wage  
Policies**

CCLP continues to back progressive tax and wage policies that boost the incomes of working families and bring more stability to household budgets.

**Reducing  
Health Care  
Costs**

CCLP aims is to keep health care industry accountable, ensuring they provide Coloradans with the care and coverage they need, and honoring their commitment to the public good.
